## Medicine

### Category (i) Medicines

A category (i) medicine is a non-prescription preparation (such as arnica cream, antiseptic liquid, insect bite treatment) that is not ingested, used for the 'first aid' treatment of minor injuries and provided by the service and kept in the first aid cabinet.

Note: The service must provide specific information about the category (i) preparations that will be used.

Do you approve category (i) medicines to be used on your child?
